Short description (max. signs 1100)

Sustainability, design diversity, high-Performance

PURLINE organic flooring for a comfortable result. This high-quality polyurethane floor covering is predominantly made from renewable raw materials and natural fillers. We have deliberately decided not to add chlorine, plasticisers and solvents. PURLINE organic floor coverings have received many environmental awards and are available for you to use without a second thought.

The convincing all-rounder is odour-neutral and free of harmful emissions, very dirt-resistant and low-maintenance whereby it's very economical and last but not least due to the high resilience and hard-wearing it's long-lasting.
