Short description (max. signs 1100)

AKD is a company that deals with creative product development and design. AKD focuses on products with aluminum in combination with other high-quality materials. Always well thought out, sometimes polarizing, AKD products are a statement of individuality and exclusive taste. Every product is made with care and craftsmanship at our Location made in OWL or implemented with selected manufacturers in Germany. We pay particular attention to the choice of materials and processing. This is how authentic products are created of exceptional value. Favorite pieces that serve people and bring joy in the long term. AKD gets to the point. We sell the products to selected partners in the trade and to the end customer.
