Product details

Rugged Concrete
Manufacturer product name

Metropolitan
Name of the collection

4033
Manufacturer Item no.

ongoing
Product life cycle in the CNW

Short description (max. signs 1100)

Caesarstone is a global leader in premium engineered surfaces, renowned for combining advanced technology, exceptional durability, and timeless design. Designed for everyday living, Caesarstone surfaces offer outstanding resistance to scratches, stains, and heat, while providing long-lasting beauty with minimal maintenance. Inspired by the authentic character of weathered concrete, 4033 Rugged Concrete captures the raw beauty of industrial architecture through layered grey tones, subtle textural variations, and natural-looking imperfections. Its distinctive rough finish recreates the tactile appeal of real concrete while delivering the performance and easy care of a premium quartz surface. Ideal for contemporary kitchens, bathrooms, and interior applications, 4033 Rugged Concrete pairs effortlessly with wood, glass, slate, oxidized metals, and neutral palettes, creating sophisticated spaces that balance urban character with warmth and refinement.

2 | PRODUCT DETAILS

Quartz Composite
Product category

Material A

Kitchen countertops, vanity tops, tables, all kind of indoor furniture applications
Application areas

no changes with UV light for indoor use
Light transmission

Structure and gloss level

Product class

Material B

rough concrete
Haptics

yes
Scratch resistance

Class A according EN 14617-12

Stability

13mm, 20mm, 30mm

Delivery form

B-s2-d0 according to EN 13501-1

Fire-protection category

330x165cm

Dimensions

ca. 130kg/13mm // 200kg/20mm // 300kg/30mm

Weight per delivery unit

≤0.05% according to ASTM C97 EN-14617-1

Water compatibility

3 | INFORMATION ON PRODUCT CERTIFICATIONS, ECO-LABELS OR DESIGN AWARDS

Greenguard GOLD, Declare Label, European Food Contact Materials regulations (self declaration), Red List Declaration (self declaration), HPD, Kosher Certificate, USGBC Member, Partner of Mindful Materials, Resistant against fungi.
