### Short description (max. signs 1100)

This beautiful dining table lamp from INEZEZ exemplifies Danish design, blending function and aesthetics seamlessly. The Branch Out Wide lamp features a handmade lampshade in vegan linen, dyed with plant extracts for an elegant, natural look. The color adds calm and light to any dining area.

Model: Branch Out Wide Dining Table Lamp  
Shade size: Height 23.5 cm, Diameter 30 cm  
Cord: 2 meters black fabric, with black metal ceiling rose and brackets

With its organic design and minimalist style, the lamp fits perfectly into Nordic decor, emphasizing calm lines and natural materials. The top plate is oiled ash wood in smoked oak, with small brass details for an elegant touch.

The lampshade is handmade in Europe with black metal construction and vegan linen. The lamp uses an E27 socket (max 40W), offering warm, pleasant light. CE-marked and made with FSC-certified wood for responsible forestry.
