Short description (max. signs 1100)

Munksjö is a leading international manufacturer of decor paper solutions for the surface upgrading of wood-based panels. Our purpose is to contribute to making sustainable living spaces accessible to everyone. We offer and develop innovative, tailor-made decor paper solutions, which are further processed and finally used in product applications, ranging from furniture and laminate flooring to other interior and exterior surface materials. With 1200 employees, Munksjö operates at six production sites in five countries: Germany, Spain, France, Brazil, and China. Our annual net sales are about EUR 500 million.
