### Short description (max. signs 1100)

The Oviedo table has been especially designed for use in the contract sector, but can also score points in the retail sector. It has a table top in solid oak 24 mm and a metal base designed by us.

It can be customised as the tabletop can be ordered in different materials, sizes and with different edges. The metal base is available in a wide range of metal colours. The table can therefore be chosen to match our chairs with a metal feet.
