### Short description (max. signs 1100)

SENSATIONAL PLAY OF LIGHT WITH FINE VELVETY LUSTRE.

The carpet made from a composition of crimped and high-gloss loops fascinates with its distinctive look. Despite the single-coloured fibre yarn, the offset tufting process produces multi-coloured, brilliant effects depending on the incidence of light.

## 2 | PRODUCT DETAILS

carpet flooring

Product category

Polyamide 6 ECONYL®

Material A

office, hotel, living

Application areas

no

Light transmission

high gloss level with different fibre effects

Structure and gloss level

broadloom suitable for commercial use / acoustic tile
