Short description (max. signs 1100)

The CLEAR EVO series, the evolution of the popular CLEAR lighting family, sets new standards in terms of design, efficiency, and functionality. With a range of special features and options, the CLEAR EVO offers versatile solutions for every room and application. Endless possibilities for creative design concepts. The CLEAR EVO offers three different contour variants: CLEAR EVO S with a straight contour, CLEAR EVO C with a convex contour, and CLEAR EVO D with a straight contour for accommodating a decorative strip.

- Covers in prismatic (UGR<19) or opal (UGR<25)
- Round Version 380, 600 and 900 mm
- Square Version 600 x 600 and 900 x 900 mm
- Rectangular Version 300 x 600 and 600 x 900 mm
- Housing colour black, silver/grey or white. Other colours available on request
- Light colour adjustable via CCT-Switch 3000, 3500 and 4000 K
