Short description (max. signs 1100)

C'EST SHIEK!

A stylish take on direct light.

Direct light deserves to be seen. SHIEK combines precise illumination with a distinctive silhouette and a subtle twist on top. Available in four different shapes, it creates focused accents above dining tables, counters or cosy lounge areas.

But why stop at one? With a choice of ceiling bases, SHIEK can be installed as a single pendant or combined into a customised multi-suspension. Mix different shapes and suspension heights to create an arrangement that is guaranteed to stand out.
