Short description (max. signs 1100)

ele.Box – Hook it. Drop it. Store it.
The clever storage solution for your shelf, desk, wall unit, and more.

The ele.Box adds a playful touch to your furniture while keeping your essentials within easy reach.
Need a change? Simply flip it and use it as a tray or magazine holder.
Or just take it with you – the ele.Box is the perfect portable organizer for your important things.
This small but mighty home accessory is a true eye-catcher – stylish, functional, and full of character.

The slot height is 29 mm, making it compatible with tabletops or shelves up to 27 mm thick.
Now also available with a 35 mm slot width – ideal for thicker surfaces!
