Short description (max. signs 1100)

With [simple]frame's click system, framing has never been easier: no clips, no fuss. Just pop in your picture, click, click – done. The online shop offers a range of sizes, frame profiles and colours, and you can even design a custom frame in just a few clicks. No calculations required.

Each frame is crafted with care and attention to detail in East Westphalia. The team works with local partners, prioritising short supply routes and a shared passion for quality. [simple]frame makes picture frames that last. For pictures that are more than décor. For moments you'll never forget.
