Heartwood table lamp - Mother Earth 10
Manufacturer product name

Forest Rays
Name of the collection

153
Manufacturer Item no.

10-15 years
Product life cycle in the CNW

Short description (max. signs 1100)

Heartwood is a handmade Danish table lamp by INEZEZ, inspired by Nordic light and nature.
It combines an oak or smoked oak base and stem with a linen shade coloured with plant extracts in Mother Earth 10. The wood is finished with OSMO matt oil/wax; the shade diffuses light warmly.

Model: Heartwood table lamp, Mother Earth 10
Overall height with shade: 47 cm
Base diameter: 17 cm
Shade height: 20 cm; shade diameter: 20 cm

Materials: FSC-certified oak or smoked oak, linen shade coloured with plant extracts, metal frame and brass details. Electrical components are integrated into the lamp.

Suitable for living rooms, bedrooms, sideboards, bedside tables, hotels, restaurants and offices.
