RAY
Name of the collection
300220ME0 / 301220ME0 / 26017LME3
Manufacturer Item no.
ongoing
Product life cycle in the CNW

Short description (max. signs 1100)

LESS IS MORE
RAY Mini shows true understatement.

RAY Mini demonstrates in impressive fashion that a decorative light doesn't have to be big and conspicuous: it can grab your attention subtly above a reception desk or create an attractive multi-canopy in a living room. RAY Mini is available with a built-in glass lens or removable LED lights, in different colours and with mounting options.
