Short description (max. signs 1100)

HELLO, SWEETIE!
Small in size. Big on impact

Take a quick look at the ceiling. Anything missing? Right. SOLID petit, a small, cylindrical spot would look fabulous above your new chest of drawers. After all, the youngest member of the SOLID family is so discreet that you can hardly see it. In Sustained Color No. 10, the compact downlight makes a surprisingly bold statement.
